Town Warrant

To either of the Constables of the Town of Millbury, in the County of Worcester.

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Millbury qualified to vote in elections and town affairs to meet at their respective voting places to wit: Precinct No. 1 at the Town Hall; Precinct No. 2 at the Burbank Street School at Bramanville; Precinct No. 3 at the Memorial High School; Precinct No. 4 at the Dorothy Manor School; and Precinct No. 5 at the East Millbury School, on Saturday the tenth day of March, next, at 8:00 o'clock in the forenoon, to elect the following officers, to wit:

ARTICLE 1. To choose a Town Clerk, Treasurer, Collector of Taxes, Auditor, Moderator, Tree Warden, One Highway Surveyor, One member of the Board of Health, all for a term of one year; One Member of the Board of Assessors for a term of two years; One Selectman, One Assessor, One Member of the Board of Health, Two Members of the School Committee, One Trustee Public Library. One Cemetery Commissioner, One Member of the Board of Public Welfare, and Six Constables all for the term of three years; One Member of the Millbury Housing Authority and One Member of the Planning Board all for a term of five years.

ARTICLE 2. To choose all other necessary Town Officers for the year ensuing and to meet on March 3, 1962 at 2:00 p.m. in the High School Auditorium in said Millbury, to act on the following articles, to wit:

ARTICLE 3. To hear the reports of several Town Officers and Committees and act thereon.

ARTICLE 4. To raise and appropriate such sums of money as may be necessary to defray Town Charges for the year ensuing, including sums for the lighting of Streets, the salaries of town officials, the maintenance of the Town Library, the observance of Memorial and Armistice Days, Care and improvement of cemeteries, care of clocks, care of fire alarm, the use of the Tree Warden, the use of Department of Veterans' Services, use of Emergency Dispatcher, salaries of Fire and Police Departments, Retirement Pensions, Town Engineer, or take any action thereon.

ARTICLE 5. To choose any Committee or Committees that may be though necessary.

ARTICLE 6. To see what action the Town will take regarding the hiring of six or more policemen to patrol our streets and to raise and appropriate money for the same, or take any action thereon.

ARTICLE 7. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning, January 1, 1962 and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period for less than one year in accordance with Section 17, Chapter 44, General Laws.

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to sell, after first giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the Town, fourteen days at least before the sale, property taken by the Town under Tax Title Procedure provided the Selectmen, or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate, or take any action thereon.

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum of money to provide for extraordinary or unforeseen expenditures under the provisions of Chapter 40, Section 6, of the General Laws of Massachusetts, to be known as the Reserve Fund, or take any action thereon.

ARTICLE 10. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money, for the general municipal purposes under authority of, and in accordance with the provisions of Chapter 49 of the Acts of 1933, and amendments thereto or take any action thereon.

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum of money to be used by the Selectmen to settle claims for personal property damage or incidental personal injury claims that may be brought against the Town, or take any action thereon.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Treasurer for filing fees and the necessary expenses of foreclosing certain Tax Titles now held by the Town, or take any action thereon.

ARTICLE 13. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapter 5 of the Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvements, development, maintenance and protection of the Blackstone River and its tributaries in the Town of Millbury, in accordance with Section 11 of Chapter 91 of our General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the commonwealth, or take any action thereon.

ARTICLE 14. To see if the Town will vote to raise and appropriate a sum of money to be expended by a committee of five citizens, to be appointed by the Moderator, for Christmas decorations for the Center of the Town or take any action thereon.

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum of money to provide one police officer for traffic duty at all Sunday masses of St. Brigid's Church and Our Lady of Lourdes Church at East Millbury and Sunday Services at Federated and Baptist Churches or take any action thereon.

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money to replace damaged and destroyed street signs and to erect new signs in the Town or take any action thereon.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury a sum of money to be expended in conjunction with any money which may be allotted by the State or County, or both, under the provisions of Chapter 90 of our General Laws to continue the reconstruction of West Main Street and reconstruction of North Main Street from Highland Street to Martin Street, or take any action thereon.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be expended by the 150th Anniversary Committee in conjunction with monies previously appropriated for the proper observance of the 150th Anniversary of the Town or take any action thereon.

ARTICLE 19. To see if the Town will vote to authorize the discontinuance of the joint infirmary maintained by the Charlton Home Farm Association and to authorize the joint Board of Directors to sell at public auction the real and personal property belonging to the Association, or take any action in relation thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate a sum of money to purchase and install a new fire-alarm switchboard to replace present obsolete switchboard now installed in the Fire Headquarters, or take any action thereon.

ARTICLE 21. To see if the Town will vote to raise and appropriate a sum of money to resurface Howe Avenue from Canal Street to the New England High Carbon Wire Company, or take any action thereon.

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money to install a catch-basin in front of No. 21 Grafton Street, or take any action thereon.

ARTICLE 23. To see if the Town will vote to raise and appropriate a sum of money for the purpose of grading, shaping and installing drainage on Jackson Lane, or take any action thereon.

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money to resurface and asphalt the now existing sidewalk on Burbank Street from Pole No. 11 to the Burbank School, or take any action thereon.

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money for the installation of a drain at the corner of Oak Pond Avenue and Pineland Avenue, Millbury, to overcome the flooding at every rainstorm, or take any action thereon.

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money to widen the intersection of Millbury Avenue and Howe Avenue or take any action thereon.

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money to be expended for the purchase of an emergency rescue truck to be used under the control of the Civil Defense Authority for all public emergency needs, or take any action thereon.

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money to be expended for the purchase of electronic equipment to improve and supplement the present Air Raid Warning System and to purchase equipment for existing Auxiliary Civil Defense Units, or take any action thereon.

ARTICLE 29. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase a new cruiser for the Police Department, said cruiser to be purchased by a committee composed of the Board of Selectmen and Police Chief, or take any action thereon.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to be expended under the supervision of the Board of Selectmen and the Highway Surveyor for the purpose of repairing and replacing the Town street and highway fences wherever necessary, or take any action thereon.

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Cemetery Commissioners for the development of new lots on that parcel of land own by the Town, abutting the railroad property and extending from Waters Street to St. Brigid's Cemetery or take any action thereon.

ARTICLE 32. To see if the Town will vote to authorize the Moderator to appoint a regional school district planning committee, consisting of three members, including one member of the School Committee, to study a survey prepared by the Massachusetts Department of Education of the southern part of Worcester County to determine the need for a regional vocational school in this area and to report to the Town at a special town meeting called for such purpose or at the next annual town meeting on whether or not they feel that the Town should join in the region to promote vocational education, or take any action thereon.

ARTICLE 33. To see if the Town will vote to accept a deed of land from Paul J. Commuso and Lucille B. Commuso to the Town of Millbury for the purpose of providing a drainage area on the northerly side of Barbara Street for the overflow from a storm drain, or take any action thereon.

ARTICLE 34. To see if the Town will vote to accept as a public way the remaining 505 feet of Wilson Road that extends in a southerly direction from Manor Road to Millbury Avenue, or take any action thereon.

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money to re-surface and re-shape Wilson Road for a distance of 500 feet from Manor Road in a southerly direction, or take any action thereon.

ARTICLE 36. To see if the Town will vote to raise and appropriate a sum of money to install a fire-alarm box at Pole #20 Auburn Road, or take any action thereon.

ARTICLE 37. To see if the town will vote to accept the remaining 250 feet of Victoria Terrace as presently laid out, as a public street, or take any action thereon.

ARTICLE 38. To see if the Town will vote to raise and appropriate a sum of money to widen and re-surface Victoria Terrace for its full length, or take any action thereon.

ARTICLE 39. To see if the Town will vote to accept the remaining 325 feet of Millbury Terrace as a public way, or take any action thereon.

ARTICLE 40. To see if the Town will vote to raise and appropriate the sum of \$826.50 to be expended by the Fire Department for the purchase of three (3) Scot Air Packs, or take any action thereon.

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole #1, Marion Avenue, or take any action thereon.

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole #2, Lakewood Avenue, or take any action thereon.

ARTICLE 43. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole #2, and on Pole #6 on Woodland Street, or take any action thereon.

ARTICLE 44. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole #3, and on Pole #8, on Leslie Lane, or take any action thereon.

ARTICLE 45. To see if the Town will vote to raise and appropriate a sum of money to install a street light on the pole in the middle of Horne Street Circle, or take any action thereon.

ARTICLE 46. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole #6, Middleton Street, or take any action thereon.

ARTICLE 47. To see if the Town will vote to raise and appropriate a sum of money to provide a public swimming and recreational area within the Town, or take any action thereon.

ARTICLE 48. To see if the Town will raise and appropriate a sum of money for the purchase of a berm machine for the use of the Highway Department, or take any action thereon.

ARTICLE 49. To see if the Town will vote to raise and appropriate a sum of money and contract with the Maple Hillside Water District for the installation of a fire hydrant on Horne Street, at the end of the 6-inch main in front of the Chet Norman property, or take any action thereon.

ARTICLE 50. To see if the Town will vote to raise and appropriate a sum of money and contract with the Massachusetts Water Works Company for the installation of a fire hydrant on Sullivan Place, at the junction of Leslie Lane, in front of the O'Laughlin property, or take any action thereon.

ARTICLE 51. To see if the Town will vote to raise and appropriate a sum of money and contract with the Massachusetts Water Works for the installation of a fire hydrant at the junction of Leslie Lane and Woodland Street, or take any action thereon.

ARTICLE 52. To see if the Town will vote to contract with the Massachusetts Water Works Company for the installation of a fire hydrant on Middleton Street at the end of the 6-inch main in front of the Gingras property, or take any action thereon.

ARTICLE 53. To see if the Town will vote to raise and appropriate a sum of money to install a fire alarm box, to be connected with the town fire alarm system at the intersection of Lesile Lane and Woodland Street, or take any action thereon.

ARTICLE 54. To see if the Town will vote to accept as a public street, Epping Street, east of Millbury Avenue and northerly a distance of 400 feet more or less, or take any action thereon.

ARTICLE 55. To see if the Town will vote to raise and appropriate the sum of \$1,800 to reconstruct Epping Street for a distance of 400 feet more or less, or take any action thereon.

ARTICLE 56. To see if the Town will vote to accept as a public street Knollwood Circle or take any action thereon.

ARTICLE 57. To see if the Town will vote to raise and appropriate the sum of \$7,800 for the reconstruction of Knollwood Circle, or take any action thereon.

ARTICLE 58. To see if the Town will vote to accept as a public street Broadmeadow Avenue, or take any action thereon.

ARTICLE 59. To see if the Town will vote to raise and appropriate the sum of \$6,100 for the reconstruction of Broadmeadow Avenue, or take any action thereon.

ARTICLE 60. To see if the Town will vote to accept as a public street Fontaine Street from South Main Street approximately 550 feet in a southerly direction, as recorded in the Worcester District Registry of Deeds—Plan Book 51, Plan 13—or take any action thereon.

ARTICLE 61. To see if the Town will vote to accept as a public street Aldrich Street, from Rice Road to Thomas Hill Road for a distance of 600 feet more or less, as shown on a plan recorded in the Worcester District Registry of Deeds—Plan Book 247, Plan 102—or take any action thereon.

ARTICLE 62. To see if the Town will vote to accept as a public street Woodland Street, for approximately 830 feet more or less to corner at Lot 31A, as shown on a plan recorded in the Worcester District Registry of Deeds—Plan Book 254, Plan 49—or take any action thereon.

ARTICLE 63. To see if the Town will vote to accept as a public street Sullivan Place from Sycamore Street to Leslie Lane, as shown on a plan recorded in the Worcester District Registry of Deeds—Plan Book 243, Plan 13—or take any action thereon.

ARTICLE 64. To see if the Town will vote to accept as a public street Horne Street from North Main Street easterly approximately

350 feet, as shown on a plan recorded in the Worcester District Registry of Deeds—Plan Book 247, Plan 106—or take any action thereon.

ARTICLE 65. To see if the Town will vote to accept as a public street Thomas Hill Road, 900 feet southerly from Rice Road to Captain Peter Simpson Street, as shown on a plan recorded in the Worcester District Registry of Deeds—Plan Book 247, Plan 102—or take any action thereon.

ARTICLE 66. To see if the Town will vote to accept as a public street Captain Peter Simpson Street, 730 feet through both turn-arounds, as shown on a plan recorded in the Worcester District Registry of Deeds—Plan Book 247, Plan 102—or take any action thereon.

ARTICLE 67. To see if the Town will vote to accept as a public street Leslie Lane, for approximately 1,500 feet as shown on a plan recorded in the Worcester District Registry of Deeds—Plan Book 254, Plan 49—or take any action thereon.

ARTICLE 68. To see if the Town will vote to raise and appropriate a sum of money to re-surface, re-shape and install necessary drainage for the entire length of Millbury Terrace, or take any action thereon.

ARTICLE 69. To see if the Town will vote to raise and appropriate a sum of money to erect a Field House on the Frederick Connolly Playground at East Millbury, or take any action thereon.

ARTICLE 70. To see if the Town will vote to increase the term of office of the Highway Surveyor from one year to three years, or take any action thereon.

ARTICLE 71. To see if the Town will vote to increase the term of Town Treasurer from one year to three years, or take any action thereon.

ARTICLE 72. To see if the Town will vote to raise and appropriate a sum of money to purchase and erect necessary traffic caution signs throughout the Town, or take any action thereon.

ARTICLE 73. To see if the Town will vote to raise and appropriate a sum of money and contract with the Massachusetts Water Company for the installation of a fire hydrant on Hayward Lane. Location to be chosen by the Fire Engineers or take any action thereon.

The polls will be open at 8:00 a.m. and shall be closed at 6:00 p.m.

Given Under our Hands, this seventeenth day of January in the year of our Lord one thousand nine hundred and sixty-two.

Richard J. Dwinell

Selectmen of Millbury

Attest: Constable of Millbury

Report of Selectmen

To the Citizens of the Town of Millbury:

The Board of Selectmen presents its report and the reports of the various Town Officers for the year ending December 31, 1961.

Once again we feel it is most fitting and proper to thank the following committees for the good work they have done throughout the year: The Common Committee: Chairman Ernest Tarbox, Mrs. Dorothy Kennedy, Roy Army, Leodore Tebo, Jr., and Victor Boufford. The Christmas Decorating Committee: Chairman Harold Freeman, Marcellus Wissell, Wilma Ela, Ray Chevalier and George Stimpson. The Board of Appeals: Chairman Charles Monigle, Benjamin Hoyt, Joseph Gagliardi, Wilfred Dufour, William Vigeant, Kenneth Gould and Ernest Plattes. The Millbury Housing Authority: Chairman Winfield Scott, Raymond Whittaker, Ernest Tarbox, Leonard Robert, State Member Frank Kawolis and Executive Directors John M. Hamilton and Richard Kenary. All of these people devote many hours of unselfish work to our own town and should be given great praise for it.

The Town Reports were distributed last year by Cub Pack 109. We would like to use the means of this report to thank them for the splendid way in which they handled this assignment.

We would like to inform the town's people of Millbury that the Board of Selectmen meet every Wednesday Evening from 6:30 until all business at hand is transpired. Our doors are always open to any resident of the Town who would like to come in and discuss any problem at hand.

The Board of Selectmen have been concerned for some time about the very high compulsory automobile insurance rates that the townspeople have been paying for years. We

feel this is the direct result of inadequate police coverage for the Town. With this thought in mind, early in the fall we requested Chief Howard White to make a complete survey of his department and to then submit his recommendations as to what he felt would be necessary to bring the department up to at least the minimum standards of a good and efficient Police Department. The Chief has submitted his recommendations and we have reviewed them with him. (They are listed in the Police report.) We are in complete agreement that if we hope to lower the auto insurance rate and maintain a good traffic safety program, they must be carried out.

We feel certain that if the voters at the Annual Town Meeting accept these recommendations in the Police Department Budget, we can all look forward to a lower insurance rate and a safer Town of Millbury.

With sincere sympathy the Board of Selectmen regretfully notes the passing of Roland Dunn who served as a Town Assessor for many years.

We announce the retirement of the following Town Officials: Mr. William White, who served as our Town Treasurer for many years, retired March 11 due to a sudden illness. Mr. Walter Swift, who served on our Fire Department, moving up the ranks from Private to a member of the Board of Fire Engineers, the position he held until his retirement on April 30. Mr. Swift is also a member of the School Committee. Mr. Frederick Vulter, Police Chief for many years, retired August 31. Mr. Vulter also served on the Board of Selectmen for several years. Mrs. Carl Lagerholm, Town Clerk, retired September 30. The Board of Selectmen feel quite sure we speak for the townspeople in wishing these four faithful town servants good luck and good health in their retirement.

We would like to publicly acknowledge and commend the new school crossing guard unit for the splendid job they have done in the safeguarding of our school children. These people work many hours a week in all kinds of weather for very small wages and much credit should be given to them.

We feel that the Town of Millbury is making progress in becoming a better place in which to live. We would like to take this opportunity to express our appreciation to all town department heads for the part they have played in making 1961 a successful year.

Veteran's Service Department

To the Honorable Board of Selectmen:

I hereby submit the Annual Report of the Department of Veterans' Services and Benefits for the year ending December 31, 1961.

Veterans' Service work consists of a very comprehensive study of the problems of Veterans and the benefits available to them and their dependents.

Assistance in one form or another to Veterans and their dependents, has been provided since shortly after our Declaration of Independence, and has been perpetrated and expanded throughout the years by a grateful nation. The attitude of each generation, I believe, was best expressed by former President Herbert Hoover when he said:—"I have supported, and the nation should maintain, the important principle that when men and women have been called into jeopardy of their lives in the protection of the nation, then the nation as a whole incurs a special obligation beyond that to any other group of its citizens. Protection should, therefore, be given them in ill-health, distress and in need."

The function of this department is to carry out that intent, which has been wholeheartedly accepted by a grateful Commonwealth, and in particular, our Town. This has been accomplished by keeping abreast of the numerous Federal and State Laws which have been enacted on behalf of our Veteran population by investigating the necessities and qualifications of all applicants for benefits to which the State Laws apply; by assisting and filing claims on behalf of Veterans and their dependents; by working in close cooperation with existing Federal and State Agencies, and by assisting them through counselling, or financial aid.

The effort which is put into that phase of our work called "services," I believe can best be appreciated locally by the effect that it has upon our local expenditures. Last year alone, from the pension and compensation claims which were serviced in this department, Veterans and their dependents received approximately \$6,500.00 in retroactive awards, and approximately \$65,875.00 will be received by them from the Federal Government in the year 1962.—Fifteen men were cared for in Veterans Administration Hospitals. Were it not for the counselling and assistance of

the department, our local expenditure would be greatly increased. Claims were processed for Review of Discharges, appointments as Guardians and/or Conservators, National Service Life Insurance, Home Loans, Tax Abatements, Educational Benefits, Burial Allowances, Headstones, Insurance Loans, and others.

The services provided by this department are unique, in that the end result not only reduces our potential expenditures, but also increases the purchasing power of our recipients, which in itself is an asset to any community.

Care of Veterans' Graves

In a previous report I advised your Board of the Provisions of Chapter 115, as pertains to the care of Veterans' graves. This department also bears the responsibility to see that a flag is placed upon the grave of all our deceased Veterans.

I am indebted to our Veterans' organizations for continuing to assume this responsibility without cost to our Town. Flag holders have been provided by the organizations to their members. However, many graves do not have these flag holders, and others which have had them, such as the graves of those veterans of the Revolutionary, Civil and Spanish wars, are now in a state of disgrace, due to corrosion, and are in dire need of replacement.

I propose to furnish, and/or replace these flag holders over a two-year period of time by requesting a sum of \$500.00 in our budget for 1962, and the balance in 1963.

Veterans' Benefits

There is an apparent lack of understanding of this program which I would like to clarify at this time. It is important because it potentially effects at least 40% of our population directly, and all indirectly.

Veterans' Benefits is a program of assistance established under Chapter 115 of the General Laws of the Commonwealth as amended, for Veterans of Wartime Service, and their dependents. It is a State and Local program administered by this department. We receive 50% reimbursement for cases aided with a Millbury settlement, and 100% for cases aided that have not established settlements.

Definitions

Veteran:—As defined in Sec. 43 of Chapter 4 as amended, and as defined in Chapter 115 as amended.

Dependent:—The wife, husband, widow, child, mother or father of a Veteran, including any person who stood in the relationship of a parent to such Veteran for five years next preceding the commencement of his Wartime Service, provided that no child who is more than 18 years of age shall be deemed a dependent, unless such child is attending school for the purpose of completing a regulation highschool course, or its equivalent, or, unless such child is mentally or physically unable to support himself, and the disability existed before he attained that age.

Eligibility:—An applicant must have a settlement in the Commonwealth, or three continuous years of residence in the State; must be in need, i.e., the family income is not sufficient to meet the budget established by the Commissioner of Veterans' Services, based on the necessities of life. The need must not be occasioned by misconduct.

Disqualifications:—Any person who is physically able to work and given the opportunity to work, refuses to do so, will be ineligible for Veterans' Benefits. If a Veteran who is obviously in a position to support his or her dependents, and wilfully neglects to do so, the Veteran and dependents are ineligible for Veterans' Benefits. If a person is guilty of continuous vicious and intemperate habits, and because of them is unemployed, he will be ineligible for Veterans' Benefits.

Liens and Assignments:—Assignments are taken and executed on all cases where the need of aid arises out of illness or accident covered by Insurance or otherwise, and lump sum settlements are granted. Whenever an applicant for, or a recipient of Veterans' Benefits, who is the mother or father of a Veteran, has an interest in real estate, the fair market value of which is more than \$1,500.00, a lien shall be taken up to the amount of aid granted, but shall not be executed until such time as both parents shall have expired, and then subject to the approval of the Commissioner of Veterans' Services.

Benefits:—Weekly or semi-monthly payments based on budgetary needs are made to the applicant. Bills contracted on their behalf are paid directly to the vendors.

Under this program a total of 118 cases were processed during the past year. Of these, 97 cases involving 260 people were aided on a temporary, or permanent basis; 12 cases were referred to other municipalities, and 9 cases were rejected for reasons of ineligibility.

A total of \$37,355.30 was expended. This amount was \$2,585.34 more than during the year 1960.

Of the amount expended, \$19,225.40 either has been, or will be returned to the General Account through reimbursements.

I wish to thank the members of the Board, the Veterans' organizations, the Finance Committee, and citizens in general for the assistance and co-operation I have received.

A detailed financial report is attached.

Respectfully submitted,

JOHN M. HAMILTON,

Agent and Director

Highway Surveyor's Report

To the Honorable Board of Selectmen and Towns People of Millbury it gives me great pleasure to submit my third annual Town Report.

I think that in 1961 we saw real progress in the improvement of our Town Streets. This was accomplished by our Road Oiling, sanding and Honeing program. This year a record amount of oil was applied. The following is a list of streets that were resurfaced:

Sycamore	Harris
Prospect	McGrath
Riverlin Pkwy.	Pearl
Gould	Martin
South Main	High and Stone Road
Highland	School
Oak Pond Ave	Dewey Rt. 146
Washington	Victoria Terr.
Coral	Hamilton
Orchard	Park Hill Ave. to Martin
	Burbank

Snow and Ice

We experienced a very bad year for snow and ice in 1961. There was a record snowfall for the year. Utilizing all of the new equipment purchased by the Town in recent years and getting invaluable help from some of the local contractors. We were able to keep traffic moving throughout the storms. After every storm the area of Millbury Center, the churches, and Funeral Homes were cleared of snow in a prompt and efficient manner. I feel that all members of Highway Department and the Contractors deserve much credit for this service.

General Highway

The usual work done under the General Highway and Permanent Roads account was completed. This includes the cleaning of streets, cleaning out manholes and catch basins, and the necessary patching of streets. I was also able to eliminate two very bad conditions. One on Greenwood Street where the road was straightened and widened for a distance of 1600 feet. The other on Tainter Hill Road where a very bad curve was eliminated.

In closing I would like to thank the personnel in the Highway Department, and all other Town Departments for their help that they have given me in the past year.

Respectfully submitted,

RUSSELL G. GOVER

Highway Surveyor

Malicious Mischief	10
Operating to endanger, operating without a license, obstructing a public way	1
Open & Gross Lewdness	1
Breaking Entering and Larceny (4 juvenile)	15
Indecent Assault & Battery on a female child under 14 yrs.	1
Using a Motor vehicle without authority (2 juvenile)	3
Idle & Disorderly Persons	5

On August 31, Fred H. Vultor, Chief of Police retired upon reaching age 65. Retirement was compulsory under state law. At that time, I was appointed Acting Police Chief. I continued in this capacity until the Selectmen received a certified list from the Civil Service Commission at Boston, at which time I was appointed permanent Chief.

At the time I was appointed Acting Chief, I was instructed by the Board of Selectmen to make a survey of salaries, operating personnel and all other phases governing the functions of the department and to submit my recommendations to the Board.

I have met with the Selectmen on numerous occasions in the past three months and we are in complete agreement with the following recommendations.

1. That substantial increases in salaries should be given to all classifications in the department.
2. The department should be increased by the appointment of two more permanent patrolmen.
3. That two members of the force be elevated to the rank of Sergeant.
4. I feel very strongly that in order to have a highly efficient department that the men must receive proper schooling in all phases of police work. The State of Massachusetts affords each town the opportunity to

send police officers to the State Academy in Framingham. The classes run for a period of six weeks. At a cost of \$150.00 per man.

I am firmly convinced that this small expenditure of money will prove invaluable in the future operation of the department.

I am recommending that four men be sent to this school in 1962. Total cost to the town \$600.00.

5. In police work it is very necessary to refer to law books in order to complete many investigations. In as much as the town has no such books available, I am recommending the purchase of a set of Annotated Law Books at a cost of \$432.00.

I wish to take this opportunity to express my thanks for the cooperation I have received from all members of the Police Department.

Also at this time, I would like to publicly commend Patrolmen Leonard Pescheta and Robert Army for their efforts in saving of the lives of two children from drowning on May 9, 1961.

Again, as in the past our dispatcher Phyllis Carney has proved herself invaluable by her method of receiving complaints and dispatching messages to the cruiser in a very efficient manner, during the hours when the Police Station is left unattended.

Respectfully submitted,

HOWARD R. WHITE

Chief of Police

To the Honorable Board of Selectmen:

I submit my annual Town Report. I received 1,039 calls during the year. They are listed as follows:

Calls to cruiser	824
Calls to Fire Department	15
Calls to Highway Department	18
Calls from persons wanting information	182

Respectfully submitted,

PHYLLIS I. CARNEY

Dispatcher

Report of the Board of Public Welfare

To the Selectmen of the Town of Millbury:

The report of the Charlton Home Farm Association will be found on another page of this book.

As the Town Auditor's report gives full description of our expenditures, reimbursements and financial report we will not repeat at this time, but will only give an itemized list of vendors under each category of assistance, showing where and how, our appropriation was spent in giving aid to the needy persons who were eligible during the past year.

Our caseload under General Relief consisted of the following cases with settlements as shown:

- 26 cases with Millbury settlements
- 5 cases with no settlements (state)
- 15 cases with Out-of-Town settlements
- 22 cases with Millbury settlements living elsewhere
- 10 hospital bills of cases with Millbury settlements

RAYMOND L. GIROUARD, *C.P.A.*

Report of the Engineers of the Fire Department

To the Honorable Board of Selectmen:

The Engineers appointed by your board met and organized as follows:

William D. Horne—Chief
Kenneth Army—1st Assistant
Joseph Reeves—2nd Assistant and Clerk
Alfred Caplette, Jr.—3rd Assistant
James Boliver—4th Assistant

During the year Number 1 Company answered 76 alarms, 39 of these were false and 8 were still alarms. Number 2 Company answered 68 alarms, 35 of these were false and 3 still alarms. Number 3 Company answered 52 alarms, 9 of these were false and 18 were still. Number 4 Company answered 60 alarms, 33 of these were false alarms and 0 still alarms. Number 5 Company answered 21 alarms, 2 of these were false and 5 were still alarms.

Our loss is as follows:

Value of buildings	\$ 84,000.00
Loss on buildings	8,725.00
Insurance on buildings	59,600.00
Insurance paid on buildings	8,229.00
Value of contents	39,800.00
Loss on contents	2,582.00
Insurance on contents	23,200.00
Insurance paid on contents	1,582.00

The Engineers have made an inspection of hotels, taverns, and rest homes and found them to comply with the law.

Fire drills were held at all schools and we found the students well trained in case of fire.

Be sure you know where your nearest fire alarm box is located and sound alarm at once. Remain at the box until the fire apparatus arrives in order to direct the men.

Respectfully submitted,

WILLIAM D. HORNE, *Chief*
KENNETH ARMY, *1st Assistant*
JOSEPH REEVES, *2nd Assistant*
ALFRED CAPPLETTE, Jr.,
3rd Assistant
JAMES BOLIVAR, *4th Assistant*

Report of Millbury Public Library

To the Honorable Board of Selectmen:

We herewith submit our annual report for the year 1961, the Librarian's report included.

To the Trustees: As Librarian of the Millbury Public Library I submit the following report.

The Library has been open every afternoon from 1 to 5 and one evening a week, the number of books purchased during the year totaled 700.

The classification of circulation is as follows:

Fiction—10,938

Juvenile—8,127

Non-Fiction—4,556

Magazines—426

The total circulation for the year was 24,047.

New books of Poetry were added to the Library this year, also books of History and Chemistry.

In observance of National Library and Book Week we had a large display of both juvenile and fiction books. Posters and potted plants were used for decorations.

We express our sincere appreciation to the Millbury Women's Club who have always been generous in their gifts to the Library.

Books of Fiction, Non-Fiction and juvenile were given by Mrs. Bradford Adams, Ronald Despard and Donald Perkins.

Laws of the Millbury Academy were given by Dr. F. C. Lally which were sent to the Library by Brother Basil Cunningham, School Librarian at the Priory, Portsmouth, Rhode Island.

Window shades were installed during the winter and will, we feel, be especially helpful in combatting the problem of sun's glare and heat during the summer.

(Signed) Laura E. Paletta, *Librarian*
Trustees

Report of Board of Health

December 30, 1961

To the Honorable Board of Selectmen:

The Board of Health submits the following report for the year 1961.

Again this year inadequate sewerage systems and sub-standard housing have been the majority of complaints and investigations.

Our Board sponsored Polio clinics and sixty-four pre-school children received Small-pox vaccinations.

In May a survey of all eating and drinking establishments was conducted by a State Sanitary Engineer and a Member of our Board. Several did not comply with the minimum standards of sanitation and recommendations were issued for repairs and cleaning of establishments.

A second survey was conducted later in the year by the Board of Selectmen and our Board and conditions were found to be greatly improved.

This sanitary inspection will be conducted annually.

In October a chest x-ray program was conducted for all food-handlers and also several residents have received free chest x-rays at Worcester County Sanatorium.

January 1st there were two patients at Worcester County Sanatorium and two were admitted during the year. Two patients were discharged leaving two patients at the Sanatorium as of December 31st.

During the summer months with the cooperation of the State Health Department the water at all public bathing beaches was regularly analyzed for bacteria that could be dangerous to the public health.

All contagious diseases must be reported to our Board and the following cases were reported for 1961.

Chicken pox	151	Whooping cough	3
Dog bite	61	Infectious hepatitis	11
German measles	16	Tuberculosis	2
Measles	249	Streptococcal	
Mumps	148	Meningitis	1
Scarlet fever	36	Monkey bite	1

September 30th, Oran D. Matson resigned as a member of our Board to accept an appointment as Town Clerk. William H. Caron was appointed to serve the remainder of Mr. Matson's 1961 term of office.

Licenses and Permits issued during 1961:

- 4 Nursing Homes
- 1 Nursery Play Center
- 3 Funeral Directors
- 3 Funeral Directors
- 2 Pasteurization of Milk
- 14 Methyl Alcohol
- 6 Cleaning Cesspools and Septic Tanks
- 103 New Sewerage systems and to repair old systems
- 115 Plumbing
- 1 Overnight cabins

Respectfully submitted,

FREDERICK P. ELLIS, *Chairman*

WALTER A. WELDON, *Agent*

WILLIAM H. CARON

Town Clerk's Report

To the Citizens of Millbury and The Honorable Board of Selectmen:

I respectfully submit my first annual report as Town Clerk.

The office hours have been extended for the convenience of the public and the office is now open 9—5:30 Monday thru Friday.

I would like to express my sincere appreciation to all town departments for the advice and cooperation given me during the past four months.

List of Jurors, 1961-1962

Army, Ernest E., Utility Man	51 Elm St.
Army, Harold C., Store Clerk	46 Main St.
Army, Kenneth, Cutter	82 Elm St.
Army, William M., Stat. Engineer	1 Church St.
Aubin, Paul, Wool Worker Receiver	31 Canal St.
Aubin, Raymond H., Student	31 Canal St.
Ballard, Henry A., Welder	26 Shore Terr.
Balmer, James A., Project Engineer	45 Miles St.
Bazin, Alfred C., Foreman	116 Millbury Ave.
Bellville, Arthur H., Retired	Bellville Lane
Besito, Frank D., Auto Mechanic	Herrick Lane
Besito, Robert J., Self-employed	30 Miles St.
Bernard, Victor, Line Foreman	1 Orchard St.
Bernier, Denis J., Tree Worker	18 River St.
Boliver, James E., Foreman	5 Ward Ave.
Bositis, John A., Steelworker	22 Maplewood Rd.
Boucher, Edward J., Jr., Interchange Calculator	61 Main St.
Boutilier, Lawrence O., Furnace Operator	50 Wheelock Ave.
Breault, Albert E., Truck Driver	251 Millbury Ave.
Brewer, Lawrence J., Shipper	8 Providence St.
Boire, Archie F., Jr., Lubricator	4 Elm Ct.
Boire, Richard J., Maintenance Electrician	3 Coral St.
Brady, Charles E., Machine Operator	4 Memorial Dr.
Brown, Austin L., Operator	43 Elmwood St.
Carig, William, Electrician	1495 Grafton Rd.
Carrignan, Hector, Mill Hand	14 Millbury Ave.
Carrignant, Earl E., Cemetery Worker	26 Main St.
Casavant, Edward P., Furnace Operator	11 Grafton St.
Chabot, Laurey J., Auto Dealer	27 Providence St.
Chausse, Hector L., Analyst, Textile Machinery	Herrick Lane
Christopher, Joseph J., Foreman	135 Elm St.
Chunis, Vitte J., Asst. Manager	362 Greenwood St.
Cobb, Joseph W., Jr., Die Cutter	19 Millbury Ave.
Collette, Arthur J., Jr.,	15 Millbury Ave.
Conley, Arthur H., Bartender	39 Main St.
Cristo, Thomas N., Student	4 Cristo Lane
Deming, Earl R., System Dispatcher	204 Millbury Ave.
Ellstrom, Donald G., Machinist	26 Canal St.
Flynn, William B., Cashier	96 Main St.
Garrepy, Emery F., Tool Maker	102 Wheelock Ave.
Gonya, William, Unemployed	7 Cherry St.
Goulet, Waldo A., Shipping Clerk & Asst. Foreman	6 Cherry St.
Grenier, Andrew B., Retired	30 Elm Ct.
Grenier, Francis L., Mill Hand	232 Millbury Ave.
Grenier, Maxime J., Mill Hand	15 Curve St.
Grout, Kenneth W., Bartender	6 Farnsworth Ct.
Hamilton, Charles J., Wire Worker	17 Memorial Dr.
Hayward, Harold F., Lathe Operator	141 Millbury Ave.
Hazelwood, John R., Assistant Foreman Carder	10 Church St.
Healey, Raymond C., Foreman	Grafton St.
Holland, Frederick M., Cable Splicer	15 Grafton St.
Howard, Stephen J., Wire Die Maker	14 Brightside St.
Howard, William J. Sr., Steamfitter	19 Miles St.
Jensen, William F., Repairman	17 Millbury Ave.
Jensen, William M., Second Hand Wet Finish	24 Grove St.

Laflash, Francis G., Mechanic	38 Main St.
Lacouture, Norman G., Operator, switchboard	34 Memorial Dr.
Lange, Earl N., Shipper	11 Memorial Dr.
Lange, Nelson, Retired	151 Main St.
Legassey, Adelard J., Mechanic	28 Millbury Ave.
Lewandowski, Edwin, Equipment Installer	5 Howe Ave.
Luthman, Robert C., Shipper	16 Grafton St.
Marchand, Leo I., Card Tender	Herrick Lane
Markey, Thomas J., Jr., Machine Operator	24 Canal St.
Masse, Louis O., Mill Hand	25 Epping St.
McCarthy, Hugh E., Jr., Repairman	38 Providence St.
McLaughlin, Raymond C., Junior Engineer	10 Memorial Dr.
Montigny, Donald J., Maintenance	4 Canal St.
Morrisette, Richard E., Machinist	16 Elm Ct.
Nadolink, Louis, Wire Inspector Tester	47 Maple St.
O'Brien, Michael J., Foreman	180 Main St.
Paille, Norman I., Maintenance	11 Grafton St.
Paiala, William A., Crane Operator	16 Atwood Ave.
Pierce, Francis H., Truck Driver	60a Maple St.
Pierce, Henry J., Arc-Welder	4 Millbury Ave.
Plante, Edward A., Foreman	21 Curve St.
Platts, Ernest, Paymaster	9 Brightside St.
Raskett, Stephen, Packer	121 Wheelock Ave.
Revane, John E., Sub-Station Operator	63 Main St.
Rixham, Lewis H., Wire Worker	8 John St.
Roberts, Leonard W., Machine Operator	26 Main St.

Town Clerk

Report of Dog Officer

To the Honorable Board of Selectmen:

The activities of this Department for the year 1961 are as follows:

Stray dogs picked up	56
Complaints investigated	16
Dog bite cases investigated	55
Bodies of animals picked up on highways	36
Livestock damage	\$18.00
Back hoe hire	20.00

Dogs must be licensed April 1st of each year. Please report lost dogs to Dog Officer immediately to assist us in returning them to their owners.

Respectfully submitted,

RUFUS W. COLBY

Dog Officer

Report of Millbury Housing Authority

January 16, 1962

Board of Selectmen
Town Hall
Millbury, Massachusetts

Gentlemen:

The Millbury Housing Authority herewith presents its annual report for the year ending December 31, 1961:

With re-election of Raymond J. Whittaker, the composition of the Authority remained the same as in 1960.

Officers were: Winfield W. Scott, Chairman; Frank E. Kawolis, Vice-Chairman; Ernest T. Tarbox, Treasurer; Raymond J. Whittaker; Assistant Treasurer.

200-1 Project—Veterans

Early in the year, 150 combination storm windows were installed by the Clinton Door and Window Company. These windows proved extremely successful and it is hoped another 135 can be purchased during 1962, completing this phase of our renovation program. Once again corrective work was done on the filter bed system. This time it appears the work has been successful and that the bed may last until a town sewer system becomes a reality. With the help of a state subsidy, the outstanding debt was reduced by \$5,000.00 to \$281,000.00.

Following is a report of receipts and expenditures for the year ending December 31, 1961:

Project 200-1

Receipts and Disbursements

January 1, 1961 to December 31, 1961

676-1 Project—Elderly

This project has completed its second year of existence with a minimum of maintenance problems.

Except for repainting an apartment following a flash fire, most repairs have been of a minor nature.

Tenants continue to enjoy the recreation rooms. Regular weekly card parties are held Tuesdays and Thursdays.

Following is the report of receipts and expenditures for the year ending December 31, 1961:

Project 667-1

Report of Forest Fire Warden

To the Honorable Board of Selectmen:

I hereby submit my report as Forest Fire Warden for the year 1961.

The Department was called to a total of 58 fires:

38 brush fires; 18 grass fires; 2 town dump fires

The expenses for this Department is as follows:

Wardens Salary	\$100.00
Labor	786.97
Gas and oil	38.26
Truck repairs	83.14
Payroll forms	11.50
Tools	37.15
Equipment for truck	12.43
Fire hose	786.75
Total	<hr/> \$1,856.20
Appropriation	2,000.00
Balance	<hr/> \$ 143.80

Respectfully submitted,

FREDERICK A. LECLAIRE

Planning Board

ANNUAL REPORT

The Millbury Planning Board herewith submits its annual report for the year ending December 31, 1961.

The members of this Board have been very busy this past year. We have signed approximately 95 plans as Approval Not Required, and have also issued approximately 138 Zoning Permits. Along with all this we have approved two Sub-divisions this year with a total of 40 lots within these Sub-division approved.

A Master Plan Survey for our Town has now been started by Economic Development Associates, and our preliminary reports will be made in early 1962. The Contract for this work was approved by the Federal Housing Agency for two-thirds re-imbursement in October, and the work was started immediately after this. A representative of this Board has attended the preliminary meetings of the Central Massachusetts Regional Planning Study Committee. We feel that Regional Planning will help the entire area; and following the completion of our Master Plan, further study of Regional Planning will be made.

The Board acting as Traffic Safety Committee has met with the Police Department and Selectmen regarding improvements throughout the Town.

The Town By-law has also been studied by the Board, and we feel there are some clarifications needed that will be included in our Master Plan Reports.

At this time the Board wishes to thank the Selectmen, the Town Engineer, the Department Heads, and all the townspeople for their continued cooperation.

Respectfully submitted,

ROBERT E. BLAIR, *Chairman*
GERARD M. TROTTIER, SR., *Clerk*
FRANCIS E. FINNEY
GEORGE A. MALO
RAYMOND T. ROACH

Civil Defense

To the Honorable Board of Selectmen and the Citizens of Millbury.

The Civil Defense Department's Budget Report can be found under the Auditor's Report.

Due to the present world situation, Civil Defense activities have increased and reached a point of decision. In view of this fact, I feel I should report to the people of Millbury as to the status of their Civil Defense at the present time. I further feel that the recommendations listed below should be submitted for your approval in order to improve the efficiency of this department.

I have been your Civil Defense Director for the past two years and in my opinion the Town of Millbury has a fairly well organized Civil Defense. However, this organization is very poorly equipped. I therefore appeal to the citizens and taxpayers of Millbury for an appropriation in the amount of \$10,000.00 (ten thousand dollars) to properly equip our Civil Defense Department and thereby insure the people of Millbury with maximum protection against any emergency from nuclear attacks to everyday disasters.

My recommendations are as follows:

- I. To add two (2) sirens to our present warning system which would insure complete coverage of the Town; to install an automatic tone control to be located at an approved station that would operate these sirens. This project to be handled under the supervision of the Board of Selectmen, and with the advice of accredited engineers. The sirens and control station to be located at points approved by said authorities.
- II. To equip all units of Civil Defense, such as auxiliary police and firemen with badges, helmets, rain coats, boots and other necessities for the purpose of making these units more efficient.
- III. To install four (4) monitor stations (fallout information stations) equipped with radios. Said stations to be placed in various sections of Millbury for the pur-

pose of recording the amount of fallout, and for relaying needed information of such to the people of Millbury.

- IV. To purchase a rescue truck. This truck to be fully equipped with government approved materials. Within the boundaries of Millbury are four bodies of water (Lake Singletary, Brierly Pond, Ramshorn Pond and Dorothy Pond) all of which are used extensively for swimming and boating. In addition to this, Millbury has approximately 70 to 90 miles of local highway along with sections of Routes 122A, 20, 146 and the Massachusetts Turnpike. Under these conditions, we are bound to have everyday accidents. A fully equipped rescue truck could prove invaluable in the saving of lives.

The important fact to remember in evaluating the above mentioned recommendations is that purchases of government approved Civil Defense equipment are entitled to a fifty percent (50%) reimbursement (called "Matching Funds"). For an expenditure of \$10,000, a reimbursement of \$5,000 would be received from the State and Federal Governments. This would be a good investment for the Town of Millbury. We do not need a nuclear war for Civil Defense to be of great value to your community. Your Civil Defense can be of help in many ways.

For the protection and safety of each and every citizen of the Town of Millbury, I sincerely hope that you will approve and accept my requests.

Respectfully submitted,

GORDON P. BREAUULT, *Director*
Millbury Civil Defense

Grades III-VI: 8:45 to 12 M., 1:00 to 3:15 p.m.
High and Junior High Schools: 8:15 a.m. to 2:19 p.m.

Report of The School Committee

To the Citizens of Millbury:

The School Committee herewith submits its annual report for the year ending December 31, 1961.

The following new salary schedule became effective September 1, 1961:

	<i>Minimum</i>	<i>Maximum</i>
(1) Bachelor's Degree	\$4100	\$5900
(2) Master's Degree	4300	6100
(3) Doctor's Degree	4500	6300

Effective January 1, 1961, a \$200 salary adjustment was voted to all teachers who were not in their proper salary position on the salary schedule, and a \$150 increase was granted to all teachers who had not reached their maximum salary. In addition to this, a \$100 across-the-board increase was voted to all teachers, effective September 1, 1961, and the above salary schedule was then inaugurated.

It is becoming a common practice each year for the legislature to establish minimum salaries for Massachusetts teachers. The School Committee feels that if the legislature is to prescribe rules and regulations with which towns must comply, then certainly state funds should be made available to aid towns in establishing and maintaining these schedules. A bill is now before the legislature requesting a \$4500 minimum salary. The committee feels that these new laws are going to make it more and more costly for the real estate taxpayers in all towns of the Commonwealth.

Open House, an annual event in our schools, was again held in November and was well attended by interested parents.

Major repair work in the various schools was carried out as follows: re-construction of the south and west walls and installation of new doors at the East Millbury School; complete interior painting of the Burbank School; installation of new chain link fences at Providence Street and Burbank Schools; blacktop apron at the Burbank School and the painting of ceilings and interior walls on the first floor of the Dorothy Manor School was completed. A new backstop was erected on the high school softball field and the field was extended. Room 26 at the Center School was renovated by removing the old laboratory furnishings and replacing them with chalkboards and tackboards.

Much necessary new equipment, including desks for the Burbank, Union, West Millbury and Dorothy Manor Schools, as well as teachers' desks for the Providence Street School, was purchased during the year. Microscopes and other equipment for the science and math departments were purchased under the National Defense Act—Title III. Under this program, 50% reimbursement is received. Major items of equipment for the physical education department for the junior and senior high schools were purchased and new filmstrip projectors and screens were purchased for the Burbank and Memorial High Schools. Storm windows were installed on the first and third grade

rooms at the Providence Street School. The Memorial High School library reference material has been added to during this past year by the purchase of many valuable reference books. It is felt now that the library is developing into a very satisfactory one and should compare favorably with high schools in our area.

Various safety precautions are still being installed and carried out in all schools in accordance with the requirements as set forth by the Department of Public Safety. A complete list of maintenance projects and new equipment is included in the committee's itemized report.

The State has approved reimbursement in the amount of \$106,532.33 for the year 1961. This amount is returned to the Town Treasurer, not to the School Department.

The committee wishes to extend sincere thanks and voices its appreciation to the Assumption Parish for the cooperation extended the School Department during the past many years while rooms were being used to house public school pupils at the Assumption School.

The New York, New Haven and Hartford railroad station which has been used as a manual training department for the last several years is no longer necessary for the training of our pupils. Consequently, this railroad station has been returned to the town of Millbury via the Board of Selectmen.

The New Junior High School, along with additions to the Millbury Memorial High School, was placed in service at the beginning of the 1961-62 school year. Details of the junior high school construction will be found in the separate report as presented by the Junior High School Building Committee.

During the last several years, the committee has endeavored to develop a band at the junior and senior high schools. A new teacher has been found and is working very diligently with the band students in the schools. It is felt at this time that excellent progress is being made and that a band of which we may all be proud will be developed under Mr. Bruno's supervision.

The School Committee at the present time is working with the Director of Civil Defense for the town of Millbury in planning proper procedures for taking care of our school pupils in the event of enemy attack.

We would like to congratulate Horace Mann students Sandra Anderson, Peter Broad, Ruth Ann Paine, Joyce Perry and Patricia Waskiewicz for the excellent record they have maintained while students at the Millbury Memorial High School.

During the year, two of our most able and respected teachers left our school system to enter retirement—Miss Ellen Leary and Miss Rosilda Lindsay. Both had served faithfully in the Millbury School System for the past 48 years. We want them to know that their service to our town is deeply appreciated.

As stated in our previous reports, school operation is a tremendous operation. Successful operation could not be accomplished without the cooperation of the superintendent, principals, teachers, school department workers, the various town departments, parents and townspeople.

The committee thanks everyone for the generous cooperation given it during the past year; let's continue to work together to give our children the best possible education.

School Committee

Report of Superintendent of Schools

To the School Committee:

I respectfully submit my second annual report and the seventy-second in the series of reports of the Millbury school superintendents.

To many of us who have been in the field of education for the past quarter century or more and who stop to ponder about the tremendous changes which have taken place in this field during the past five years, we realize suddenly that we are actually experiencing an educational revolution in this country. What has brought it about? Was it Sputnik, the new nuclear age, the fear of the Russian ideologies, the cold war, the fear of total destruction, etc.? All of these have undoubtedly played their part, but when we think back to such men as Edison, Goddard, Einstein, the Wright brothers, Hitler, Stalin, and oh so many more, we realize that these things were inevitable. What then has spearheaded this so-called educational revolution? The answer I think can be found in the following excerpts from Dr. Sterling M. McMurrin's reply to Admiral Rickover's criticism of American education. Dr. McMurrin is the United States Commissioner of Education, Department of Health, Education, and Welfare.

"Without question, one of our greatest assets in the effort to improve our educational establishment is the intense interest in education that presently pervades the nation, an interest that is involving countless persons from every vocation and profession in a general discussion of the ends of education and the ways of achieving them. Fortunately there is developing among us that spirit of genuine criticism that is always an essential ingredient of institutional and civic improvement.

"The character of this discussion and criticism indicates that in the matter of education we are now facing a crisis of conscience and that collectively we are experiencing a sense of national guilt. This consciousness of guilt grows out of the realization that in general we have failed to establish and maintain an educational program of the quality of which we are capable and which is now essential to the well-being of all our people taken individually and to the achievement of the full enrichment of our culture and the strength of our Nation. There is an increasing concern for our failure to fully cultivate the talents and the capacities of our people and a realization that we are not adequately satisfying the demands that our national life now properly and necessarily places upon the educational process. We cannot deny that today we would command far more knowledge and have far more creativity, civic character, and national strength if our schools generally had been more vigorous in their intellectual discipline and had been more adequately structured to the needs of our society. We have with lavish prodigality wasted the talent and energy of countless persons who should have been educated at higher levels of skills and knowledge, and whose education would have been a substantial asset to a Nation that makes an ever-increasing demand for higher competence in its people."

This intense interest due to our sense of national guilt concerning the quality of our education in the past quarter of a century has

brought about a number of attacks on our educational system. The natural result of this was the new look in secondary mathematics and science. Natural, because these two were the subjects most identifiable with the missile, rocket and nuclear race with Russia. The next big change came in the foreign language field due to the realization that if we, as Americans, wish to keep our position in the world of diplomacy and commerce, we must become a bilingual or trilingual nation. Now we have evidence of dissatisfaction with the social sciences, English and vocational education. Recently in the National Education News came the announcement that the National Council for the Social Studies was calling for a major investigation of the social studies curriculum in elementary and secondary schools. This would be the first thorough-going overhaul of the social science curriculum in 40 years. In Education Summary, December 27, 1961, under trends and issues, the following announcement was made, "Vocational education is slated for its first comprehensive review since 1917. On February 20, President Kennedy in his special message to Congress instructed HEW Secretary Ribicoff to convene an advisory body to review and evaluate vocational education and to make recommendations for improving and redirecting the program." Last month the 26-member President's Panel of Consultants on Vocational Education met in Washington. They will draw up a set of recommendations for President Kennedy to present to Congress. In Educator's Dispatch, Nov. 12, 1961, the following statement appeared under trends spotted by the Council for Basic Education, "The social studies are in a slump, English even more so."

The secondary phase of education has not been alone on the receiving end of these new innovations or trends. Dr. Conant in his book, Recommendations for Education in the Junior High School Years, would overhaul the entire junior high school curriculum. In a new book sponsored by the Council for Basic Education, edited by Dr. Charles C. Walcutt, Professor of English, Queens College, we find that the schools must be extricated from the "history of the error" in teaching reading. The error is in promoting "word-picture," "whole-word" and "look-say" methods, without attention to phonics. This neglect of phonics has made learning to read a serious problem in American schools, with an estimated 35% of all American children seriously retarded in reading ability, says Dr. Walcutt.

We are today on the threshold of new trends in teaching techniques, new methods and new technology. Pressures on school administrators have become very great and I find that we must all be mindful of the best of the past and yet aware of the promises of the future.

During the past year in Millbury we too have experienced many changes. In the Millbury Memorial High School we have continued the changes made the year before in science and math and have added regular laboratory classes to the college biology classes. We also increased the size of the guidance department by having Mr. Morano give one half of his teaching day to counseling. These changes, plus the completion of several others called for in the evaluation, have enabled us to more than meet the percentage of changes required by the New England Association of Secondary Schools and Colleges for continued certification.

In the New Junior High School, now housing grades 7, 8 and 9, we have experienced our greatest change. Prior to this year we were in an 8-4 system. This has been changed to a 6-3-3 system. To the curriculum we have added a course in general math for the more advanced student and French for two periods a week has been added to the upper three divisions of both the seventh and eighth grades. Boys' and girls' gym is now enjoyed by all of the pupils of the junior high school as is the new cafeteria. Several new teachers were added to the faculty which enabled us to reduce the size of the classes from forty or more down to the recommended size of thirty. In some classes new transfers have swelled the size of the classes to thirty-one or -two. The addition of the new band room and junior high industrial arts room, as well as the science and art rooms, have left little to be asked for in these fields.

The New Junior High School, when viewed by the townspeople during Open House, elicited many very favorable comments and seemed to more than satisfy the majority of the people who visited the school at that time.

In the elementary schools we now have all of our fifth and sixth grades housed in one building, formerly the junior high and now known as the Center School. Having all the fifth and sixth grades under one roof has enabled us to use a grouping plan for the various classes which we feel will be advantageous to all the pupils. We have also been able to have a better music and art program as we not only have the room for this, but we also have art and music supervisors who have, because of the new junior high's increased faculty, been able to give more time to the elementary grades. Several meetings with the teachers of the first six grades have been held to discuss the elementary course of study. The building of the new junior high has enabled us to move the four grades from the Assumption School to what was formerly the Center School and which is now called the Union School (the name under which it was first known). This building formerly housed the majority of the fifth and sixth grades. We have established fluto-phone classes in all of the grades in town with an eye to the building of bigger and better school bands in Millbury. Many physical changes have taken place in several of our school plants which will be described in the reports of the School Committee and Building Committee.

We are at present working on a thirty station Audio-Active-Compare Language Laboratory which will be housed in the New Junior High School and which will be used by both the language classes of the junior and senior high schools. The room which will house this laboratory will also be so arranged as to enable us to use this as an audio-visual room as well as a language laboratory. In one of our elementary schools we are beginning an experiment with a new reading method which has shown great results in every town or city in which it has been used. Our elementary teachers will be given the opportunity to evaluate this toward the end of the year. We anticipate adding an ungraded class to our system next year, which will meet the demands of the state for classes for both the trainable and the educable who cannot meet the requirements for regular class attendance.

The State Department of Education advises that, for the best interests of education, a school which has twelve or thirteen occupied rooms should have a full-time supervising principal. It is anticipated that next year the Center School, which houses all of the fifth and sixth grades in the town, will have twelve occupied rooms. With this in mind Mr. John Hayes, the present teaching principal, will be promoted to the position of full-time supervising principal of this building.

We are also at this time looking further into the question of becoming part of a regional vocational school set-up. However, at this writing little more can be said about it except that an interest is being shown in this matter.

At present we have three extra rooms in the elementary buildings, two of which will be filled next year due to larger enrollments in the first and second grades and to the additional ungraded class. This, of course, means that in not later than two to three years, all of our rooms will be occupied and we will again be bursting at the seams in the elementary grades. It would seem that inasmuch as the New Junior High School took approximately eight years to plan, and to bring these plans to fruition, that plans should be started in the very near future for new elementary buildings. You need only think of the condition of our elementary buildings, two of which are old wooden buildings—fire traps at best, and two others which were built one hundred or more years ago, to realize the urgency of this need.

I would like to conclude this part of my report with the following statement. This is a democratic society and although I realize that all men are not born of equal capacity, I do, however believe that all are entitled to the opportunity to develop fully such capacities as they have. The handwriting on the wall is there for all to read. If the United States is to continue to move forward and to make its proper contribution to its children and to the world, our people must be willing to dedicate a much larger share than ever before of their human and material resources to the support of education.

Changes in Staff

After 48 years of faithful and efficient service in the Millbury School System, Miss Ellen Leary, a teacher in the Millbury Junior High School and Miss Rosilda Lindsay, Principal and first-grade teacher of the Union School, retired on June 22, 1962. We all deeply regret the loss of these two excellent teachers and sincerely thank them for jobs well done. We wish them health and happiness in their retirement.

APPOINTMENTS

This year we are pleased to add the following pupils' names to the Horace Mann honor roll in the Millbury Memorial High School:

Sandra Anderson
Peter Broad
Ruth Ann Paine
Joyce Perry
Patricia Waskiewicz

In conclusion, I wish publicly to express my sincere appreciation to all who in any way have contributed to the maintaining, improving and furthering of the education of the youth of the town of Millbury. I would like to express my appreciation to our professional and non-professional staff for the fine caliber of work and cooperation they have evidenced during the past year. I would also like to highly comment the P.T.A., The Dorothy Manor Mothers' Club, the highway surveyor and his men, the Chief of Police and his officers, the fire chief and his department, the selectmen and all other town officials for their fine spirit of cooperation. In particular, I would like to offer my personal thanks to my secretary and the Millbury School Committee who have given so generously of their time and assistance and whose genuine cooperation I have sincerely appreciated.

Before completing this report, may I show my sincere appreciation to the Millbury School Building Committee, its secretary, the general contractor, and the architect for the splendid job they have all done in providing the town of Millbury and its youth with such splendid and practical educational edifice as the New Junior High School Building.

Respectfully submitted,

STEPHEN BEATON

Superintendent of Schools

*Report of Mr. Raymond E. Shaw
High and Junior High School Principal*

Developments of the past year have generally reflected the continued operation of those major forces which have tended to shape our school requirements during the preceding decade. A steadily increasing pupil enrollment and an increasing emphasis on higher educational standards have had their influences on plant needs, our staff, and on our curriculum.

A major improvement in our secondary school plant was effected in September of 1961, with the opening of the Millbury Junior High School, which now houses grades 7, 8, and 9. According to Dr. James B. Conant in his book, *Education in the Junior High School Years*, the 6-3-3 system is, by far, the most common of the reorganized systems usually found in medium-sized and large communities. To emphasize the importance of this new building, I present a few statistics: In September of 1960, the enrollment in the Millbury Memorial High School was 521, and in June of 1961 we graduated 139. The incoming ninth grade numbered 199; and, if we still used the 8-4 system, this would have meant a total enrollment of 556 in grades 9-12 and an increase of 35 students whom we could not accommodate properly in the Millbury Memorial High School.

Not only were more classrooms required to house the ninth grade, but an increase in the teaching staff was also necessary. Mr. Alan Curtis, a graduate of Boston University, was appointed to teach business math and typewriting; Miss Joanne Garabedian, a graduate of Russell Sage College, to teach Spanish and English; Mr. Francis Kujawski, a graduate of the University of Massachusetts, was appointed to teach general science and physics; Miss Johanna Sayre, a graduate of Clark University and School of the Worcester Art Museum, was appointed as art instructor, replacing Miss Florence Scarpaci who was transferred to the elementary grades; Mr. Salvatore Paratore resigned to accept the position of supervisor of music at Nashoba Regional High School, and Mr. Rocco Bruno, a graduate of the New England Conservatory of Music was appointed to take over this position at Millbury Memorial High School. Mr. Paul Kollios, a graduate of the University of Massachusetts, was appointed to teach science in grade eight and one class of English in grade nine. Mr. Thomas Romano, a graduate of Holy Cross College, was appointed to teach eighth grade English. Miss Joan Power, who formerly taught grade six in the Center School, was transferred to the Junior High School faculty. Mr. Raymond Gemme has been assigned to teach all French classes in grades seven and eight, and one class in grade nine. Mr. John Chadwick, who was previously a full-time teacher in the high school, is now devoting part of his time to the Junior High School guidance department. We welcome these new teachers to our junior and senior high school faculties and extend our best wishes for a successful and happy future.

During the past year there were several changes in the Millbury Memorial High School faculty. Mr. Richard Kenary, teacher of biology, resigned to enter private business; and Mr. Thomas Hamilton, teacher of English, resigned to teach that subject in the Framingham

High School. Mrs. Ethel Gladstone resigned to enter the Worcester School System. Mrs. Linda Brennan, a graduate of Emmanuel College, was appointed to teach biology; and Miss Mona Quane, a graduate of the University College, Cork, Ireland, was appointed to teach English. To Mr. Kenary, Mr. Hamilton, and Mrs. Gladstone, we extend our best wishes for a happy future. We welcome Mrs. Brennan and Miss Quane to our faculty with the expectation that their experiences will be happy and successful.

Mr. Philip Philip resigned as head coach of football and basketball and will confine his activities to teaching in our school. Mr. Hudson Matson was appointed as head football coach with Mr. Martin Roach as his assistant; and Mr. Paul Kollios was appointed head basketball coach.

In the curriculum area of the senior high school, second year algebra, trigonometry, solid geometry, chemistry, and physics are now offered each year instead of every other year. In biology, two laboratory periods have been added to the five regularly scheduled class periods each week. As a result of the new and more extensive facilities in the junior high and senior high schools, the amount of time devoted to art and music has been increased. Mr. John A. Chadwick has installed the Dewey Decimal classifying system in the library, and he has also secured the use of the Travelling High School Science Library, American Association for the Advancement of Science, sponsored by the National Science Foundation. He is also consulting with the Division of Library Extension, Massachusetts Department of Education, for assistance in developing the library for the loan of books. Mr. Victor Morano has been appointed as a second guidance counselor in grades 9-12, and this has greatly improved the student-counselor-ratio in guidance.

The prizes and scholarships annually awarded to the members of the graduating class were as follows: Miss Noreen Sibley received the DAR Good Citizens Award for outstanding characteristics of good citizenship; Bruce Owen received the first prize of one hundred dollars in the New England High Carbon Wire Essay Awards, Philip Nyberg received the second prize of fifty dollars, and Dennis Joyce received the third prize of twenty-five dollars. The scholarship awards were the following: Evelyn Greene was presented the two hundred dollar Millbury Woman's Club Scholarship by Mrs. Alderic Melanson, association president; Miss Sandra Lindberg and Philip Nyberg were presented the Millbury Parent-Teacher Association Scholarships of one hundred dollars each by Mrs. Robert Pierce, association president; William Zetterlund was presented the Millbury Credit Union Scholarship of one hundred dollars by Reverend Mont Thornburg, vice president, and he was also presented the American Legion Auxiliary Scholarship of one hundred dollars by the president, Mrs. Wilfrid Dufour; Miss Mary Faron and Miss Evelyn Greene were presented the Millbury Memorial High School Faculty Scholarship of one hundred dollars each by Mr. Raymond E. Shaw, principal; Richard Nado-link and Philip Nyberg were presented the Millbury Memorial High Student Body Scholarship of one hundred dollars each by Ronald Hayden, junior class president; Miss Sandra Lindberg was also-

awarded a Webber-Fiske Scholarship sponsored by the Massachusetts Congress of Parents and Teachers, Inc.

Christine Woll was declared the winner of the annual spelling contest for pupils of grade seven, held in April under the direction of Miss Pauline Lambert.

Peter G. Broad, one of our present seniors, has been honored for his high performance in the National Merit Scholarship Qualifying Test (NMSQT) given last spring. He has received a formal "Letter of Commendation" from the National Merit Scholarship Corporation.

For the seventh consecutive year the *Reflector* was awarded "First Place" rating in the 37th annual contest sponsored by the Columbia Scholastic Press Association. This year, and for the fifth consecutive time, the *Reflector* also received the "Highest" award in its class at the annual Boston University Scholastic Press Association. To Mr. Hamilton, Miss Marlborough, Miss Pronski, and the *Reflector* staff, we extend heartiest congratulations for this continued success and excellence of performance.

The annual Science Fair was held on Wednesday evening, March 15, 1961, in the high school science laboratories under the supervision of Miss Joan Shea and Mr. Richard Kenary. The outstanding projects selected to represent our school at Worcester Polytechnic Institute on April 6, 7, and 8 were "Thermoelectric Conversion of Heat to Electricity" by Jan Moren, and "Experimental Behavior of the Mouse," a joint project by Jacquelyn Beaton and Barbara Santon. Honorable mention was given to Bruce Owen for "Structures of Metals"; to William Carig and Leo Rogers for "Tanning"; James Kallstrom and David Broad for "The Effect of an Emotional Disturbance on Galvanic Skin Resistance"; Karl Silun and Louis Rocheleau for "Alcohol Distillation"; and Richard Nadolink for "Jacobs Ladder." Judges for the Fair were Mr. James Taparowsky of the New England High Carbon Wire Company, Mr. Walter Dahlstrom, United States Steel Corporation, and Mr. Ben Duce of Astra Pharmaceutical Company. We offer our congratulations to Miss Shea, Mr. Kenary, and to all the participants, and we thank the Worcester Kiwanis Club for its sponsorship.

On May 5th the Junior High School Glee Club presented the operetta, "The Saucy Hollandaise," under the direction of Miss Katherine Bowe, in the Memorial High School Auditorium. The background and scenery were designed by the pupils under the supervision of Miss Florence Scarpaci and Mr. Daniel Carmody.

On April 7, 1961, Jan Moren was the recipient of the \$1450 Yankee Ingenuity Scholarship to Worcester Polytechnic Institute at the Regional Science Fair, sponsored by the Worcester-Greendale Kiwanis Clubs.

Bruce Owen gained distinction for himself and the school when he was given the Brown and Sharpe Merit Scholarship Award, second prize award in the Poetry Division of Scholastic Magazine, and a Certificate of Honor in the Twentieth Annual Science Talent Search for the Westinghouse Science Scholarships and Awards, conducted by the Science Clubs of America.

William Zetterlund was elected by the students of Millbury Memorial High School as the school delegate to the Massachusetts General Court on Student Government Day, April 7, 1961.

During the week of March 27, 1961, a table setting contest was held at the Sharfman Jewelers in Worcester. Ann Beauregard and Virginia Wicklund were the representatives of our school, and Beverly Grahn wove place mats for the occasion. The tables were inspected and evaluated by the judges and by the public. Millbury Memorial High School girls received honorable mention for which we received an appropriately engraved silver Paul Revere bowl. Congratulations to Mrs. Dakin and the members of the domestic science class.

The Know-English Contest is an event wherein the practical benefits of Latin are displayed in the knowledge of English vocabulary, meaning, and origin. It was held in March, 1961, and both public and parochial schools participated. The winners from Millbury Memorial High School who received "Certificates of Merit" were Judith Hickory, Christine Nyberg, Sandra Salem, Karen Whittemore, and Kathleen Whittemore.

This year the National Honor Society was introduced into Millbury Memorial High School. Upon acceptance by the National Office of Washington, D. C., the Millbury Memorial Chapter was officially recognized. The object of the Chapter is to create an enthusiasm for scholarship, to promote worthy leadership, to stimulate a desire to render service, and to encourage the development of character in the students of Millbury Memorial High School. A school assembly was held on April 14, 1961, in order to conduct the inaugural ceremonies for its first members. The following students were elected by the Faculty Council as members of the National Honor Society: seniors, Madeleine Army, Jacquely Beaton, David Broad, Mary Faron, Bonnie Madsen, Bonnie Merrill, William Monigle, Ellen Molis, Brenda Moorey, Jan Moren, Philip Nyberg, Bruce Owen, Noreen Sibley, Kathleen Weldon, Elaine Wishneski, William Zetterlund; juniors, James Beauregard, Wayne Blanchard, Peter Broad, Carol Caron, Deborah Daly, Beverly Grahn, Ronald Hayden, Elaine Jacobson, and Thomas Mongeon.

At a school assembly in the Millbury Memorial High School auditorium on October 20, 1961, Mr. John A. Gianoulis, Supervisor of Civic Education, on behalf of the Citizenship Committee of the Massachusetts Secondary School Principals Association and the Massachusetts Department of Education, awarded a meritorious citation to the school for the noteworthy accomplishments of the Student Council for outstanding acts of civic and social responsibility. Along with the citation two volumes of *Goals for Americans* and *Marble Palace* by John J. Frank were presented to the school. This was done under a grant from the Sears Roebuck Foundation which was represented by Mr. Martello of Franklin, Massachusetts.

The Underwood Award to the "Outstanding Business Education Student" was presented to Cecile Army

The Senior Athletic Award was presented to Frank Parella.

In recognition of outstanding proficiency in high school science and mathematics, Rensselaer Polytechnic Institute awarded the Rensselaer Medal to William Zetterlund

In the Service Clubs Essay Contest, Helen Marie Kinniery received the award for the best essay among those submitted from our school.

For excellent performance in athletics, we offer our congratulations to Mr. Matson and his baseball team in winning the Southern

Worcester County Blackstone Valley Baseball Championship; to Mr. Philip and his basketball team in winning the Southern Worcester County Blackstone Valley Basketball Championship, and for a most outstanding accomplishment in winning the Clark and Bay State Tournaments.

The Junior High School had a very successful year in their athletic endeavors, winning many of the games played in both basketball and baseball, under their coach, Mr. James D. O'Leary. This year intramurals have been initiated into the Junior High School curriculum, enabling many more boys and girls to participate in sports. The girls have enjoyed competing in field hockey games and basketball. The boys have had inter-class games scheduled in touch football and basketball.

The various clubs and organizations in the Millbury Memorial High School enjoyed another year of success under the leadership and guidance of the following teachers: Girls' Athletics, Miss Ann Harrington; Boys' Athletics, Mr. Martin Roach, Mr. Philip Philip, Mr. Hudson Matson, and Mr. James H. O'Leary; Cheerleaders, Mrs. Ethel Gladstone, Miss Diane Berthiaume, and Miss Joanne Garabedian; Student Council, Mr. Victor Morano and Mr. Alan Curtis; Band and Glee Club, Mr. Salvatore Paratore and Mr. Rocco Bruno; the French Club, Miss Helen Brown; Science Club, Miss Joan Shea and Mr. Francis Kujawski; the Biology Club, Mr. Richard Kenary and Mrs. Linda Brennan; the Junior Red Cross, Mr. John Chadwick; the *Reflector*, Mr. Thomas Hamilton, Miss Margaret Marlborough, Miss Frances Pronski, and Miss Mona Quane; the *Aftermath*, Miss Helen Brown and Mr. Edward Cronin; the Dramatic Club, Miss Elizabeth Walsh, Mr. Robert Dillon, and Mrs. Linda Brennan; Public Speaking and Debating, Mr. Victor Morano; the Magazine Drive, Mr. Paul Lacouture.

Once again our high percentage of attendance, 96.54, is an indication of the interest and cooperation of both the pupils and parents of the town.

I would like to express my appreciation to the W. W. Windle Company for the gift of two Gray Audographs, most welcome additions to the equipment of our commercial department. They will certainly help to create a sustained and practical interest in the development of office practice techniques in our school.

May I once again express my thanks to you and the School Committee for the understanding and support given the Senior High School throughout the past year. As we continue to grow in size, may the quality of our educational products more than keep pace. The citizens of Millbury deserve the best. To give them "the best" is the ambition of us all.

Report of School Building Committee

To the Citizens of Millbury:

The committee is pleased to report that the New Junior High School, along with the newly constructed additions to the Memorial High School, is approximately 97% complete at the present time.

Construction was carried out very capably by the Neri Construction Company under the direction of O. E. Nault and Sons, architectural firm of Worcester, thus enabling the School Department to make use of all the new plant facilities at the opening of the regular school year in September. This new plant now consists of a 20-room building proper, new cafeteria, band room, shop and locker rooms, all connected to the present Memorial High School building by an overhead enclosed passageway. The latest types of laboratories, including physics and a completely new language laboratory installation, are available in the New Junior High School, along with conventional art, science and sewing rooms.

The only major item to be completed at the writing of this report is the new softball and football practice field to be located behind the present football bleachers on the northeast side of the present Memorial High School field. In the spring of 1962 this field will be levelled, loamed and seeded, thus giving broader playing facilities for all town personnel and leagues. Also to be completed in the spring is a small amount of seeding and landscaping on the junior high school lawn area.

At a visitation and Open House conducted at the New Junior High School on November 12th, hundreds of townspeople toured the new facilities. The committee expresses its thanks to the teachers, supervisors, office force, janitors and cafeteria help for working so hard to make this visitation and Open House the great success that it was.

Upon completion of the entire project during the year 1962, a complete list of expenditures will be prepared for placement in the 1962 Town Report. Until this project is complete and this report published, any interested voting citizen of the town of Millbury may procure information in regard to actions and expenditures by the Millbury School Building Committee simply by calling the Chairman of this committee.

The Building Committee has received invaluable assistance from all town departments during the construction of this project and we wish to thank them for the wonderful cooperation extended the committee.

As chairman, I would like to express my appreciation for the wonderful assistance rendered by the Building Committee personnel

during the entire planning and building of this project. My sincere appreciation is also extended to Mr. Shea, our immediate past school superintendent, and to Mr. Beaton, Superintendent of Schools, for their tireless efforts on behalf of this project.

Notices of scheduled meetings of the Building Committee are posted in the office of the Town Clerk and are usually held on the first and third Mondays of the month. These meetings, which are held at the Memorial High School, are open to interested townspeople at all times.

Respectfully submitted,

ARTHUR L. STOWE, CHAIRMAN
M. PEARL LACOUTURE
FREDERICK R. HEIDTMANN
GEORGE H. RYAN
RICHARD J. DWINELL
